

T7.1 TREADMILL

The new T7.1 Treadmill exceeds expectations with advanced upgrades. A quick control dial with easy-to-read indicators makes selecting and starting customized workouts easier than ever. LED-lit sensitive touch keys provide added in-use control, and a thicker belt stands up to heavy use.

FEATURES

- Heavy-gauge steel frame provides a stable, natural run
- Quick control dial makes starting customized workouts quick and easy
- Intelligent tread sensor wakes console at step-on, stops belt at step-off
- Sprint 8 HIIT burns fat and builds muscle in short 20-minute workouts
